really nervous and would like them  
to stop bugging me.

Lol yeah no kidding right!!

2:30 PM

Im nervous too. Like wtf? Why am i  
being questioned?

2:31 PM

I finally know what anxiety feels  
like.. Just been hearing stories about  
crooked cops, and this one dude in  
high school, went to jail cause some  
girl saidnhe raped her, he lost his  
scholarship then later the girl came  
forward and saidnshe lied

2:32 PM

Or those cops who were juiced  
cruising their squad car over peoples  
lawns, hit a parked car.. And they  
still got their jobs.. No investigation,  
no breathalizer.. Nothing.
