To the Membership of Blueberry River First Nations

We are thankful that the court ruled that Chief Marvin and our COO, who only reports to him, have an obligation to the Band to hold twice-monthly meetings, which they haven't been doing for over a year. Rather than each side try to explain matters, we ask that you each just read the decision and Order from the Court for yourselves and draw your own conclusions.

Here is the bottom line: We asked the court to mandate that meetings be held and that the Petition be dealt with. The Court ordered in our favor for both.

We must have a Band Council meeting within 30 days and the Petition must be put on the agenda in a separate meeting within 45 days.

We are happy that the Band can now move forward.

Regards,

Councillor Robin Ewaskow
